

Who is the Quarryvale/ Balgaddy SCP for?

The SCP is a targeted service for children and young people who require additional support to get the most from their education. It is not open to all students.

Children and young people must be referred to the SCP. Schools, parents and other agencies can make a referral.

Once a referral is made, the SCP team will review it and decide if SCP is the best support for the child or young person. Not every child who is referred will receive SCP support.

If you are interested in finding out more, please contact one of our staff. Contact phone numbers and emails for all staff are listed on the back of this information leaflet.

Contact Us

The SCP team is made up of an SCP Coordinator, 3 Project Workers and 1 Attendance Monitor.

Quarryvale/ Balgaddy School Completion Programme

Improving Educational Outcomes
for children and young people in
Quarryvale & Balgaddy

Parent Information Leaflet

What is the School Completion Programme?

The School Completion Programme (SCP) provides support to children and young people to help them to get the most from their education.

The Quarryvale/Balgaddy SCP project focuses on:

1. Improving children's attendance at school
2. Improving children's participation in school (involvement in class and school activities)
3. Improving children's retention (staying in school)

Schools Supported by SCP

The Quarryvale/Balgaddy SCP project provides support to children and young people in the following schools:

- *Divine Mercy JNS
- *Divine Mercy SNS
- *St Bernadette's JNS
- *St Bernadette's SNS
- *St Kevin's CC

When can SCP provide support?

The 4 pillars of support SCP provides for children and young people;

- In School Supports
- After School Supports
- Holiday Supports
- Out of School Supports
